## Important Information

We only sell items listed in this catalogue.

We **DO NOT** order in or chase products that are not listed on our website or in this catalogue.

Our team **CAN NOT** offer renovation advice, only supplying information about the product we keep.

### Disclaimer

At the time of publication the information contained in this Trade Catalogue was and is correct. However, products contained in the catalogue are subject to being made discontinued or may change without notice. Vintage Caravan Spares recommends prospective purchasers establish that the product is suitable for their needs before making any purchase. Vintage Caravan Spares stocks products that are made to a specification and due to varying manufacturing methods and variances in material, may be subject to change without notification. Images contained in this catalogue are used for illustration purposes only. Images may not always be representative of the actual product listed due to changes in specifications or general illustration representation. All specifications and sizes have been listed with intention of being correct at the time of printing. Vintage Caravan Spares recommends that all purchasers establish whether the product is fit for purpose prior to purchase. This publication is subject to copyright and may not be displayed or reproduced without prior authorisation by Vintage Caravan Spares. Other than for the purpose of and subject to conditions prescribed under the copyright act, not part of it may be in any form or by any means (electronic or mechanical) reproduced, stored in a retrieval system or transmitted without the permission of Vintage Caravan Spares.
